DISCLAIMER:

All rights of reproduction of all photography, drawings, design, names, specifications or any representation in this catalogue is the sole property of Macphersons Office Furniture. It is unlawful to reproduce, duplicate or copy from this catalogue in any way without the written consent of the Company as defined in the Copyright Act 98 of 1978 and any amendments thereof.

Whilst every effort is made to ensure that measurements, finishes, fabrics, print colour specifications and relative information and details within this catalogue are accurate, variances may occur and Macphersons cannot be held responsible.

Wood Veneers can vary from board to board and as these are natural products, there could be variances in colour and grains. Veneers do darken with age.

GUARANTEE:

We at Macphersons guarantee our products which are locally manufactured for a period of five years against faulty workmanship and defective materials, fair wear and tear excluded. All chair components and fabrics carry the manufacturer's guarantee. Imported ranges carry a one year guarantee.

No warranty is provided for in the event that there is abuse of the furniture if it is used for purposes not intended. Errors and Omissions Excluded.

HEIGHT ADJUSTABLE DESKING

Benefits of height adjustable work surfaces and alternating between sitting and standing at work include:

- Significant decreases in the severity of musculoskeletal discomfort for most upper body regions
- Reduced spinal shrinkage is found in workers who stand for portions of the day
- Body part discomfort decreases an average of 62 percent and the occurrence of injuries and illnesses decrease by more than half.
- Workers take shorter and fewer breaks and productivity is increased
- Employers are able to adapt desking to suit employees of various heights and body shapes. Those with back conditions and disabilities can be accommodated.
- Fat burning enzymes shut down when we sit down.

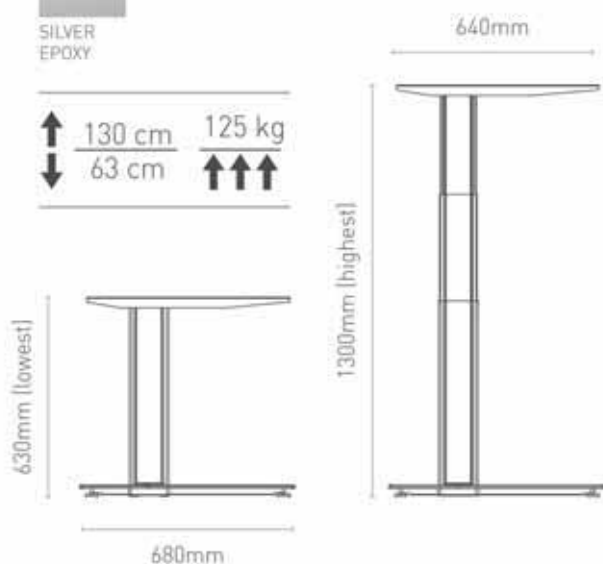

501-29 MIDI Desk Complete

Electrically operated height adjustable desk complete with 32mm thick Melawood top in various colours and finishes. Top sizes from 1600x700mm up to 1800x800mm
